FROST NOW IN CHARGE OF LOCAL SALES

The Sidney Lumber Company have been successful in securing the services of Mr. C. A. ("Jack") Frost, who has severed his connection with the Genoa Bay Lumber Company. Mr. Frost has taken charge of the retail department of the local lumber company for the districts of Saanich and North Saanich and has the complete handling of all orders, doing even his own delivery. Mr. Frost took charge on the 15th, and reports a steady stream of lumber going in all directions for new building, homes, etc. Mr. Frost is well and favorably known throughout the entire Saanich Peninsula and besides all the old customers he had while running the yard at Patricia Bay (which is now closed out) he will undoubtedly roll up a great number of new customers in his new capacity. He invites anyone in need of anything from a sliver to a trainload to call him on the phone at No. 6 at the mill or in the evening at his home, 26-M. If there is anything puzzling a prospective builder of a chicken apartment, fine house or a home for bumble bees "Jack" can give you valuable advice.

We have mentioned before that we expected a building boom in the Saanich Peninsula and now that things are shaping up that way Mr. Frost says "Let 'er come, we have the necessary building materials and can deliver the goods immediately, no delays whatever!"

SHIPPING MILLION FEET

The export business of the Sidney Lumber Company is keeping up well and among the larger orders is a million feet now being loaded on the Hohki Maru in Victoria.

NEW BUSINESS OPENS MONDAY

Mrs. J. Speedie, who has been very successful with the lunch-room business in Sidney, is now announcing the opening of the Depot Coffee Shoppe in the bus depot of the Vancouver Island Coach Lines. This lunch-room is up-to-date in every respect, with the very latest equipment and arrangement and will be open to the public on Monday, November 26th. Mrs. Speedie has everything to the last word in kitchen appointments for aid in cleanliness, efficiency and convenience, the dining-room and lunch counter are also very distinctive in style and arrangement. All Review readers are invited to inspect the new layout when in town.

Do Your Headlights Blind Other Drivers?

Have you experienced the sensation of meeting powerful, blinding headlights that simply look like the bright, burning sun itself? And are your own lights absolutely O.K.? If you drive a car you will undoubtedly remember numerous occasions of meeting dazzling headlights that temporarily made it a risk for you to proceed, not knowing whether you were keeping on the pavement or heading for the ditch or possibly knocking down some pedestrian just beyond that terrific glare. If you are not quite sure your own lights are faultless in this respect play the game and have them attended to at once. Next time you pull up at your favorite garage have your headlights examined. They may be wrong and offending without your knowing it. There has been so many accidents lately on the highways that the Provincial Police have been instructed to prosecute offenders. Let's cut down the accidents at once before the police assist us in doing so or before we break our own necks.

SYD CHAPLIN AT AUD. TONIGHT AND FRIDAY

Manager S. K. Halsey has sure connected with a funny one for the movie show tonight and Friday night at the Auditorium Theatre, with Syd Chaplin in "The Missing Link." These local fans who saw Syd Chaplin in "Charlie's Aunt" will likely be on hand with their friends to see Syd again. Press reports on this comedy declare it is a riot, many declaring it is the best yet and that is going some if you stop to think of "The Man on the Box," "Oh! What a Nurse" and "The Better 'Ole" in which Syd sent many movie fans dippy with laughter. That there will be a big crowd at this show is a certainty. Fun starts at 8 o'clock.

Golf Club Meeting

At the annual meeting of the North Saanich Golf Club the following officers were elected: President, Mr. J. J. White; vice-president, Mr. G. F. Pownall; captain, Mr. C. S. Birch; auditor, Mr. G. W. Wemyss; general committee: Messrs. McLean, McIlraith, Rev. T. M. Hughes, Friedrichs, Ahler, Fraser and Sisson.

The following new members have been elected: Mr. Arthur Gush, Mr. Kirkness, Mrs. Goddard, Mrs. Rochfort, Mrs. T. M. Hughes, Mrs. Bertram Taylor, Mr. and Mrs. C. C. Cochran and the Misses Eleanor, Margaret and Carmen Macdowell.

There was a large attendance at the meeting.

TO REACH B.C. POINTS BY AIR

Believing that the only feasible way to give long-distance telephone service to many of the outlying parts of British Columbia is by means of radiotelephony, George H. Halse, chairman of the board of the B.C. Telephone Company, announces that plans are under way for the formation of a separate company to enter the radiotelephone field.

"Under its charter the British Columbia Telephone Company has no power to go into the radiotelephone business," explained Mr. Halse in a statement. "It has become obvious to the executives of the company, however, that the radiotelephone offers the only practical method of giving service to many outlying points, and consequently we propose to form a separate company to carry out this work. The name of the new company will be the Provincial Telephone Company, and a charter will be sought at the next session of the Provincial Legislature. The necessary advertisements to comply with the legal requirements are now being published."

"During the past summer I visited the West Coast of Vancouver Island for the purpose of studying the question of giving telephone service to the many industries scattered along that rugged shore. Through an arrangement with the Dominion Government it has been possible to give telephone service — of a sort — to some of these places over the government telegraph lines after telegraph hours, and we have further plans for improving this service, but still it will not take care of a great number of points which cannot be reached by wire. The conditions that prevail on the island exist also on the mainland coast, where we find such points as Ocean Falls, Prince Rupert, Anyox, Stewart, etc., incapable of being reached by telephone wires from the south owing to the obstacles which would make the cost prohibitive. Other examples are the Queen Charlotte Islands and the Peace River country."

"The executives of the B.C. Telephone Company have been watching carefully the development of radiotelephony, and we believe that in this branch of the communication art lies the solution for our problem of serving such communities as I have mentioned."

"Our plan is to operate radiotelephone service in conjunction with our present wired service, so that a party in one part of the Province may be able to pick up his telephone receiver, ask for a party in another part of the Province, and talk to him by a combination wired telephone and radiotelephone circuit, as is now being done across the Atlantic Ocean."

"This would mean that men in isolated logging camps, for instance, would be able to 'ring up' Vancouver business men in their own offices and hold conversations with them just as if the calling parties were right in the same city. It is not difficult to imagine what a boon such a service would be. Another development would be the giving of the same service to coasting vessels plying in British Columbia waters."

"These are our plans. There are many problems to be solved before we attain success, but we feel that there are no people in a better position to develop a communication service for the outlying points than the men who are at present supplying most of the telephone service in British Columbia. Our project will be carried forward with the co-operation of both the provincial and federal authorities."

Charity Ball

The annual charity dance of the Eastern Star will be held in the Agricultural Hall at Saanichton on Friday, Dec. 7th. There will be a four-piece orchestra in attendance to provide the latest dance music. The proceeds from the dance will be used to bring Christmas cheer to the needy.

SAANICH CANNING COMPANY NOW USES OVER 15,000 SQ. FT. OF SPACE

The Saanich Canning Company, at the foot of Beacon Avenue, on the waterfront, at Sidney, is a growing concern that now covers over 15,000 square feet of floor space. Even this amount of space is becoming too small to carry on in. Negotiations, we understand, have been completed for adjoining property for expansion.

MANY IMPROVEMENTS

During the past year great improvements have been made by the installation of labor-saving devices in the handling of clams and fruit. Safety devices have been installed where there was a possibility of any mishap taking place. In the unloading of the boats a device has been devised and installed making it practically impossible for men engaged in unloading to be caught underneath should a load on the hoist break away and a direct control of the electric hoist installed conveniently at the upper doorway is so arranged that the operator can stop the machinery instantly. The new electric hoist is a great saving over the old way of lifting sacks off the boats by hand. The hoist easily handles eight tons of clams an hour. A new machine for washing and grading the clams has been installed on the second floor of the receiving depot and in the one operation clams are washed and graded, small clams going down one chute and large ones down another. At the bottom of the clam chutes one sees another invention that has been figured out by the inventive minds of the "ways and means" committee of the company. This is a device or receptacle mounted on 2x2's that permits a lifting device to be inserted underneath and the container with its 200 pounds of clams is then easily moved to the elevator that conveys two of these receptacles at a time to the top of the cannery where they are automatically dumped every five and a half minutes. On being dumped the clams have another washing before going into the cookers. The cookers are now capable of handling over 22 tons daily. With these new receptacles the heavy lifting and handling of clams from the receiving depot to the elevator is eliminated and the work made very much easier. Everything is more sanitary as there are no sacks to collect dirt and the new containers can be kept spotlessly clean by washing and spraying as soon as the crates are empty.

In the long elevator that carries the clams to the top of the cannery a safety device has been installed whereby the breaking of a chain will not mean the dropping of the elevator and doing considerable damage and possibly injuring someone below. A clever contrivance will bring the elevator to a stop in the space of a few feet.

NGW HAVE SPRING WATER

To cope with the possibility of being cut off by further breaks in the Sidney Water Works the Saanich Canning Company has been busy this fall sinking a well on the southeast corner of their property near the waterfront. They sunk a shaft of considerable proportions to bedrock and were rewarded by striking a fine spring of pure ice-cold water. This flow of water has been cribbed in and an electric centrifugal pump has been installed. An electric pump for salt water has also been installed for washing down floors, etc.

The cannery now has five canning machines, two grinders, a filling machine and a lacquering machine.

A boat with scow is now kept busy making the rounds to the clam-beds where the diggers load on their clams and the canning of clams will continue until the end of March and after a couple of months' idleness, during which time repairs and further improvements will be made the canning of strawberries will start in June, followed later by loganberries, raspberries, gooseberries, cherries, blackberries, plums, pears, etc., after which another overhaul is made and the canning of clams again proceeded with.

The Saanich Canning Company is growing bigger every year and the citizens of Sidney and district wish this local industry continued success. "Saanich Brand" goods now enjoy an enviable reputation for quality and we look to see the local concern keep right on growing.

BY-PRODUCTS IN DEMAND

A big business has been built up by the sale of clam shell in the form of chicken grit and fertilizer for sour land. The company is never able to supply the demand for chicken grit. Thousand of tons of this material reach points to the East as far as the prairies, while the demand for the fertilizing product is increasing as owners of sour land have discovered that this substance helps considerably in improving the land.

Women's Guild Made Over \$200 at Bazaar

The monthly meeting of the Women's Guild of St. Andrew's was held last week at the home of Mrs. McNaught, Third Street. A good attendance of members and friends were present and Mrs. J. J. White, the president, opened the meeting. The secretary, Mrs. S. Roberts, read the minutes of the previous meeting and the treasurer gave her report, both of which were adopted. A very interesting report was given on the bazaar which was held on the 12th in Matthews' Hall, the ladies realizing about \$225.00 for their efforts. All business being disposed of it was decided that the meetings would be discontinued until the second Wednesday in January.

P.T.A. Card Party

The Parent-Teacher Association card party in aid of the Sidney School Library was held last Thursday night, military 500 being played at 11 tables. There was a good attendance of members and interested friends and keen competition prevailed for 20 hands, at the close of which the first prizes were awarded to table No. 1 with 24 discs, Mr. and Mrs. J. McNeil, Mrs. Williamson and Mr. Bert Copithorne. The second prizes went to table No. 6 with 23 discs, Mr. and Mrs. Homewood, Mrs. Warrender and Mrs. Jackson. Mr. A. Calvert was in charge of the cards. Mrs. J. Gilman, president of the association, was the convener of the evening's affair. Refreshments were served by the ladies at the close of the cards.

Sidney Social Club

The regular weekly meeting of the Sidney Social Club was held in their club room, Beacon Avenue, on Wednesday evening of last week. There was a good attendance of members and several visitors were welcomed. A social time was spent by all at military 500 which was played at five tables. At the conclusion of 20 hands two tables tied for the first prize and on the cut the prizes went to Mrs. A. Critchley, Mrs. R. N. MacAulay, Mr. George Lloyd and Mr. J. Storey.

Death of Robert Earl Matthews Is Sudden

The funeral of the late Robert Earl Matthews took place on Wednesday, Nov. 14th, in Blaine, Wash., services being conducted by Rev. Seeley of the Methodist Church and interment took place in the family plot.

Deceased was 31 years of age and was born in Blaine, Wash. Death took place on Friday, Nov. 10th, following an accident in the Aberdeen Logging Camp where he was employed, never having become conscious after the accident. He is survived by his wife, who resides in Victoria, and a son, Keith, who resides with his grandparents, Mr. and Mrs. H. A. McKillop, also his father and two sisters at Ketchikan, Alaska.

Mrs. Matthews was accompanied by her sister, Miss Phyllis McKillop, left immediately for Aberdeen on receiving word of the accident but Mr. Matthews had succumbed before they arrived.

Bridge Club Entertained

The mysterious Mr. X. was discovered on Monday night after much discussion and curiosity at the home of Mrs. G. A. Cochran, at the entertainment given by Mrs. J. E. McNeil, Mrs. A. Williamson and Mrs. G. A. Cochran, who were joint hostesses to the ladies of the Bridge Club and their husbands. Many mysterious and weird stunts, games and contests featured the evening's entertainment, one being the naming of each member of the party in a novelty manner under which they were known for the evening. After an interesting guessing contest a few hands of court whist were enjoyed. Prizes in the contest went to Mrs. Shade and Mr. McNeil while honors in cards went to Mrs. Warrender and Mr. Ramsay. Refreshments were served in the dining-room before the guests departed for home. Those present were Mrs. Jackson, Mr. and Mrs. H. H. Chad, Mr. and Mrs. T. P. Poirer, Mr. and Mrs. A. S. Warrender, Mr. and Mrs. H. Le Vack, Mr. and Mrs. H. Homewood, Mr. and Mrs. H. McNeil, Mr. and Mrs. G. A. Cochran, Mr. and Mrs. A. Williamson, Mr. and Mrs. J. E. McNeil and Miss R. Matthews.

Discuss Christmas Tree

The regular monthly meeting of the Parent-Teacher Association was held on Tuesday evening, with the president, Mrs. Gilman, in the chair. Regular routine business was disposed of and the matter of a dental clinic was discussed, Mr. Ramsay being requested to get in touch with Dr. Young regarding the matter.

Plans for the Christmas Tree entertainment for the children were also talked over and the date decided on was Thursday, Dec. 20th.

Refreshments were served and the meeting closed with "God Save the King."

PRIZES GALORE FOR BIG PARTY

Arrangements are well in hand for the Sidney Conservative Association's grand military 500 and dance to be held at the Agricultural Hall, Saanichton, Tuesday evening next. The committee reports a big demand for tickets and are providing for 70 tables. Between 30 and 40 tombola prizes have been secured and besides very fine prizes will also be presented to the three tables holding the greatest number of flags at the conclusion of play. A dainty buffet supper will be served and the remainder of the event spent in dancing.

A feature of this entertainment will be that all tombolas will be on the stage and holders of the lucky numbers must present the ticket and carry prize off the stage. Wonder who will get the bale of hay?

Premier and Mrs. Tolmie will be in attendance and Mrs. Tolmie will present the prizes to the winners.

Institute Members Plan New Year's Eve Dance

By Review Representative
FULFORD HARBOUR, Nov. 22. — On Thursday afternoon the regular monthly meeting of the Women's Institute was held in the Institute Hall, Mrs. T. M. Jackson presiding. There was a good attendance, 14 members being present. It was arranged that a masquerade dance, to be held on New Year's Eve, Monday, Dec. 31st, final arrangements to be made later.

There was a very generous response to the appeal for jam, bottled fruit, etc., the Solarium, several quarts being contributed.

The hostesses for tea for the afternoon were Mrs. A. Emsley and Miss Tillie Akerman.

Ladies' Aid Meeting

The regular monthly meeting of the Ladies' Aid of the United Church was held on Wednesday at the home of Mrs. Hall, Experimental Farm. The president, Mrs. J. F. Simister, opened the meeting at which there was a very good attendance of members as well as visitors. The secretary's and treasurer's reports were read and adopted and a very interesting report given of the Harvest Festival held on Oct. 31st, given for the purpose of increasing friendliness among the newcomers and enabling would-be members to get together. The next meeting of the aid will be held at the home of Mrs. J. Ramsay, Fifth Street, on Wednesday, Dec. 12th, at 3 p.m., and as this is the annual meeting officers for the coming year will be elected, so it is hoped that all members will make a special effort to attend. At the close of the meeting refreshments were served by the hostess, assisted by Mrs. Hall, Sr., and Mrs. Maxwell.

New Checker Boards Now Made In Sidney

Checker players are now getting ready for their winter sport and are looking forward to the time when the various tournaments will start. A number of players in Sidney will likely form a club soon and enter a contender for the championship title in the play-downs on the new McIntyre checker board. This season a considerable amount of time will be necessary to line-up the different clubs and arrange for play-offs. In setting up the various angles of the situation a number of players have come to the conclusion that definite dates should be announced for the tournaments and play-downs. After carefully considering this suggestion it has been decided that tournaments should be played between Jan. 1st and Feb. 15th and play-offs from Feb. 20th to March 20th. The new checker boards are now on the market in Victoria and many points on the mainland and are being manufactured in Sidney by the McIntyre Mfg. Co.

SIDNEY SCHOOL CONCERT ON DEC. 4TH & 5TH

We notice in our Coming Events column that the pupils of Sidney school are putting on their annual concert on Tuesday and Wednesday, December 4th and 5th, two evenings being chosen to accommodate the citizens and avoid any disappointment in getting a seat. We hear that the program is going to be even better than last year, which is saying a good deal, and rehearsals are going ahead strong. The price of admission is very small and the proceeds will be devoted to sports equipment for the children. Division I. and II. are putting on the ever-popular play "Ali Baba and the Forty Thieves," arranged by Lady Bell, whilst the children of Division III. are planning a pretty little fairy play interspersed with songs and dances. The tiny tots in the Primary Department promise to give a good account of themselves in four charmingly arranged items. Altogether an excellent two-hour program is anticipated and we have no doubt the children, as usual, will draw bumper houses.

GANGES OBSERVES ARMISTICE DAY

By Review Representative
GANGES, Nov. 22. — A very large crowd attended the Armistice Day Service at 10.45 a.m. Sunday, Nov. 11th, at the Mahon Hall. Rev. J. W. Flinton conducted the service, Rev. George Aitkens and Rev. G. Dean taking part. Rev. Howard gave an address. The three hymns chosen for the commemorative service were "O God, Our Help In Ages Past," "God, Send Us Men," and "O, Valiant Hearts." Mrs. V. C. Best accompanying on the piano.

Following the service a procession of returned soldiers organized by Major F. C. Turner, D.S.O., marched to the Memorial Shrine, followed by the Boy Scouts carrying the Union Jack led by Scoutmaster Desmond Crofton. Next in line were the Wolf Cubs with their flag, led by Mr. George Birch; the Girl Guides, commanded by their captain, Mrs. T. Charlesworth, followed carrying their flag; the Brownies brought up the rear under Miss Lois Wilson, their leader. Many wreaths were placed on the shrine by the leaders and relatives in memory of the fallen. The National Anthem was sung.

KEEN DEBATE AT SAANICHON

By Review Representative
SAANICHTON, Nov. 22. — An interesting debate took place at the regular meeting of the United Church Y.P.S. on Monday evening last under the auspices of the missionary committee. With Mr. Albert Hafer and Mr. Willie McClure taking the affirmative and Mr. George Hafer and Mr. Roy Heyer the negative the following question was debated: "Resolved that the United Church should concentrate its missionary efforts to one field instead of eight as at present."

Many interesting points were brought out but the judges, Rev. M. W. Lees and Nat Gray, felt that though there was much to choose between them the verdict had been earned by the negative.

The debate was followed by a general discussion of foreign missionary work.

Before closing the meeting a short practice was held of the songs to be sung at the entertainment which the society is preparing for presentation at the Old Men's Home and Old Women's Home in Victoria on Nov. 28th and 29th.

SEND YOUR PROTEST IN AND STOP THAT NOISE!

The Review has been asked so many times what the cause of the local interference in radio is that we wish to announce publicly that we do not know. Many people become indignant when all of a sudden this terrible noise comes on in the midst of some fine grand opera or very interesting news item that is being broadcast. Complaints have been turned in by one or two and we believe if more would put their thoughts in writing something would be done to overcome this annoyance. The place to address your complaint to is the Divisional Superintendent, B.C. Radio Service, Old P.O. Building, Victoria, B.C.

LETTERS TO THE EDITOR

The Editor assumes no responsibility for the views expressed by correspondents. All letters must be signed by the writer, not necessarily for publication. Writers are requested to be brief and to the point.

The Editor,
"Review," Sidney, B.C.

Dear Sir:

Many parents were glad to see your remarks on the school heating as there should be no reason why children should be compelled to shiver at their work or wear thin coats or go into another room to get warmed. It is not only uneconomical but with delicate children dangerous. This has happened many times. The reason we do not know, but the fact that when the last volume of protests reached the trustees the situation was immediately rectified would imply that the school with proper management CAN be kept warm and it should be done. It is nothing less than criminal to have children on a cold, wet morning sit shivering in an unheated room.

Your remarks re fire escapes from upper rooms should be brought to the attention of the Minister of Education, who should enforce something of the kind on every school in B.C. At present there are none and we shall be wise after the event.

G. E. GODDARD,

To the Editor of the "Review,"
Sidney, B.C.

Sir:—As a resident of this district for over three years I have taken a keen interest not only in your valuable little weekly newspaper, but also in what you had to say in your editorials as well.

From time to time I have watched and admired your efforts to draw attention to the need of additional industries in and around Sidney—a worthy object indeed, but one that is being treated by those who ought to encourage industries to locate here, with scant consideration, or given the "wet blanket," so to speak. Not only that, but on making care-

Trouble on the new line was discovered in time

Although the new direct telephone line across British Columbia to Calgary opened on November 6 without a hitch, no less than three cases of trouble developed on the circuit the night before. Had they been undetected or unremedied, the history-making conversations, scheduled for the next morning, would have been "off."

But vigilant telephone men were on the job. Test calls revealed the trouble cases when they developed, and repairmen speedily made the necessary adjustments.

It meant a sleepless night for some, but the circuit was clear when the time for the first call arrived.

TIT-BITS from the NORTH SAANICH SERVICE CLUB

Many people from North Saanich and surrounding districts gathered at the club rooms on Saturday last to enjoy another pleasant and merry evening.

Progressive 500 was played at 15 tables and after keen competition for 20 games the prizes were awarded to Mrs. J. Readings and Mr. R. Beswick, who won in a cut from Mr. L. Ricketts.

After refreshments had been served the remainder of the evening was spent in dancing, the music being supplied by Mrs. Horth and Mr. Reginald Beswick. Both old and young alike eagerly responded to the tunes of several of the old-time dances and the guests involuntarily arose to join in the merriment.

Call at the Review office or 'phone and our representative will call to show you our line of personal greeting cards.—Advt.

PRIVATE BILL NOTICE

NOTICE is hereby given that ap-
plication will be made to the Legisla-
tive Assembly of the Province of
British Columbia at its next session
by John Samuel Henry Matson, of
the City of Victoria, British Colum-
bia, News Publisher, with the assent
of the Corporation of the District of
Saanich, for an Act to provide for
the following privileges, rights and
powers, namely:

1. To ratify and confirm By-Law
number 408 of the Corporation of the
District of Saanich, being the "Trans-
portation By-Law, 1928," which was
passed by the Municipal Council on
the 25th day of June, 1928, and as-
sented to by the electors of the Muni-
cipality on the 14th day of July,
1928, and to declare such By-Law to
be legal and binding on all parties;
2. To ratify and confirm the agree-
ment between the said The Corpora-
tion of the District of Saanich and
John Samuel Henry Matson made
and entered into in pursuance of the
said By-Law Number 408 on the 19th
day of July, 1928, providing for the
sale to the said John Samuel Henry
Matson of the Lake Hill Bus Line
and providing for the taking over by
the said John Samuel Henry Matson
of the whole of the transportation
within the Municipal limits of the
said Municipality and the equipping
and maintaining of the same, and
wherein the Municipality granted un-
to the said John Samuel Henry Mat-
son the exclusive right and authority
for a full period of twenty years
from the date of such agreement and
for any further or renewed periods
which may be provided for under the
terms of such agreement to operate
vehicles for the carriage of passen-
gers and to be used or ply for hire
within the limits of the Municipality,
and that during such times no other
person should be granted or have any
right to carry passengers or ply for
hire within the Municipality.
3. To ratify and confirm a further
and supplementary agreement made
between the said The Corporation of
the District of Saanich and the said
John Samuel Henry Matson dated
the 19th day of July, 1928, amend-
ing the said agreement between the
parties by providing for the main-
tenance of schedules and rate of
fares and amending the provisions
therein with respect to arbitration,
and to declare such agreement to be
legal and binding on all parties.

DATED at Victoria, British Col-
umbia, this 14th day of November,
1928.

DEEP COVE

By Review Representative

The Deep Cove Social Club held a
very successful military 500 drive in
the club hall on Monday evening.

The hall with its decorations of
fresh greenery and autumn flowers
presented a very pleasing appear-
ance. The members and friends from
sister social clubs were welcomed by
the president, Mr. Bert Copthorne.

Play progressed steadily at 15
tables, keen competition and friendly
rivalry for 20 hands resulting in the
first prizes being presented to Mr.
and Mrs. D. L. Ricketts and Mr. and
Mrs. A. Sansbury, with 27 discs.

Three tables with 26 discs tied for
the second prizes, and on the cur-
ring taken they were awarded to Mr.
and Mrs. G. Clark and Master Sonny
Clark and Miss Dorothy Calver.

Third prizes went to Mr. and Mrs. H.
Horth, Miss May Copithorne and Mr.
W. Horth. The consolation prizes,
which caused much amusement were
won by Mrs. Charlebois, Mrs. Quar-
termaine, Fred Sparks and Peter Rie-
kett, with ten discs.

At the termination of the cards
dainty refreshments were served by
the supper committee and a social

half hour was enjoyed.

The chinese auction of a chicken
then took place and a great deal of
amusement resulted and many and
varied were the bids. When Mr. Co-
pithorne announced that the prize
chicken was going, going, and had
gone, to Master Sonny Clark, it was
found to have brought in \$14.75.

Mrs. Horth and Mr. Reg. Beswick
then supplied the music for the dan-
cing which was continued enthusiasti-
cally until midnight.

The president then reminded the
members of the regular monthly
dance which is to be held in the hall
on Friday evening, with Savage's
three-piece orchestra in attendance,
and promised a good time to all at-
tending.

The Armistice Day Service held in
Hope Bay Hall was largely attended.
Rev. Robt. Aylward, of the United
Church, had charge of the service
and Major Guy Boyer gave the ad-
dress. The Canadian Legion was
well represented. The service began
at 10 o'clock, and the two-minute si-
lence was observed just prior to the
close at 11.

On Monday evening, Nov. 12, a
large number of members of St.
Peter's Anglican Church, Port Wash-
ington, gathered in the hall to for-
mally bid farewell to Rev. R. D.
Porter and Mrs. Porter, who are
leaving this field for Alberni. The
evening was spent in cards and
music, several parties contributing to
the latter. Refreshments were served,
after which J. S. Stigings, on behalf
of the congregation, presented Mr.
Porter with a handsome monogrammed
gold wrist-watch, expressing the ap-
preciation of the members of the
faithful services and happy associa-
tions during the past four years. To
Mrs. Porter was presented a dainty
china cake-plate. Mr. Porter acknowl-
edged the gifts in a suitable manner
and all joined in singing, "For They

Are Jolly Good Fellows."

Rev. Mr. Holmes, who has been ap-
pointed temporarily to the vacancy
left by Mr. Porter's departure, will
take the services in St. Peter's Church
next Sunday.

On Friday, Nov. 9th, Major Boyer
addressed the school children in Hope
Bay Hall on the significance of Ar-
mistice Day, under the auspices of
the Canadian Legion. Major Boyer
was assisted by J. B. Bridge and H.
G. Scott, members of the executive.

Mr. and Mrs. D. G. Macdonald and
son, Ronnie, are spending a couple
of weeks' holidays at their home here.
Mr. Frank Everest, of the C.P.R.
Coast Service, is their guest for a
few days this week.

Misses Jean and Beth Brackett
have returned home after spending
the past two months in the Okana-
gan.

Miss Kathleen Symes, who is at-
tending High School in Vancouver,
spent the Thanksgiving weekend at
home.

Masters Jack and Clifford Stigings,
who are attending High School at
Victoria and Ganges, respectively,
were also home for the holidays.

Mr. Armstrong, of Victoria, is now
in charge of the McGregor farm at
Browning Harbor.

Mr. and Mrs. Richard Roe were
here from Victoria for a week on
their way to Britannia Beach where
they will stay for some time with

their daughter, Mrs. Wm. Peirce.

Miss M. McIntyre and Miss Jean
Graham spent the holidays at their
homes in Victoria.

The ladies of the United Church
are preparing for their Christmas ba-
zaar to be held on the 29th in Hope
Bay Hall.

Dr. Harold Matheson, of the Men-
tal Hospital staff at Essondale, was a
guest of Mr. and Mrs. W. Grimmer,
for Thanksgiving.

Mr. R. H. Percival, of Victoria,
was a guest of Rev. and Mrs. Aylward
at the Manse, last week.

Mr. Ian Woodburn, and Miss Rut-
ter have left their home at Otter
Bay, known as the "Tower House,"
and gone to reside in Vancouver.

will be held on Tuesday, Nov. 27th,
in the old Scout Hall back of the Re-
view office.

Mr. W. H. Lowe returned home
last week from Portland where he
has been at the cattle show exhibit-
ing Mr. J. S. H. Matson's stock.

The S.S. Capac, New York, Grace
Line, unloaded 1,500 tons of nitrate

of soda at James Island this week.

Sounds like a big time at the Con-
servative card party at the Agricul-
tural Hall at Saanichton on Tuesday
night with a whole truck load of tom-
bola prizes looming up. Everybody
invited. Come, join the fun.—Adv.

The Evening branch of the Wom-
en's Auxiliary of St. Andrew's and
Holy Trinity will meet Monday at 8
o'clock prompt at the home of Miss
Rosa Matthews, Third Street. All
members are asked to make an effort
to be present as this is their annual
meeting when much business is to be
discussed. It is also hoped to have
Miss Masters, of Victoria, to give a
short talk on her work.

Mr. J. J. White was elected presi-
dent of the North Saanich Golf Club
at the annual meeting held recently.
